The Authors

Delsa Miranty received her doctoral degree in the English Language Education, Faculty of Letters, Universitas Negeri Malang (UM). She is also one of the English Education Department's teaching staff at Universitas Sultan Ageng Tirtayasa, Banten Indonesia. Her research interest lies in technology-enhanced ELT, ranging from theory to implementation. She can be reached at delsa12@untirta.ac.id

Fiko Franko was born on 10 April 2023 at Pontianak. He is a second-semester student at Universitas Sultan Ageng Tirtayasa Teacher Training and Education Faculty majoring in English Education Department. He has a dream of travelling abroad. Simple yet complicated to achieve here in Indonesia. That's why he learned English as he could since it is an International Language used worldwide.

Lailatul Fatihah was born in Serang on 17 March 2004. She is the third child of four siblings. She is a second-semester English Department student at Sultan Ageng Tirtayasa University in Serang, Banten, admitted through SNMPTN. She won third place in a campus chess competition and is actively involved in writing poetry at Jurdik. She has participated in training programs on Correspondence, Financial, and Documentation Publication Administration organized by the Language Laboratory of FKIP-UNTIRTA. She served as the Second Chairman of the Boarding School Student Organization and Division 6 of the Student Council for Islamic Activities (Rohis) at MAN 2 Kota Serang in 2020.

Dian Anjali is 18 years old now. She lives in Cilegon, Banten. She is in the second semester of studying at the Department of English Education, Faculty of Teacher Training and Education, Sultan Ageng Tirtayasa University. She likes to keep herself busy with productive things like developing her skills and joining a project like this book project.

Hello mate! My name is Liya Anggraeni, and I am the youngest child of three sisters. I was born in Serang on 9 February 2004. I am currently a second-semester student of the English Education Department, Teacher Training and Education Faculty, Universitas Sultan Ageng Tirtayasa. Moreover travelling, reading books and meet new peoples are my hobbies.

Yunita Aulia is pursuing her undergraduate education at Sultan Ageng Tirtayasa University in Serang. Now she is in semester 2. Her hobbies are doing productive things, listening to music and travelling.

Putri Johar Pranadita Asmara was born in Bandung on 27 March 2004. She is a second-semester English Education Department, Teacher Training and Education Faculty-student Universitas Sultan Ageng Tirtayasa admitted through SBMPTN. She studied the Japanese Language and received JLPT (Japanese Language Proficiency Test) certificate for N5 and N4.

PREFACE

The authors thank God Almighty for allowing them to finish an "Extensive Listening Course and Its Supplementary Tasks" book because of his grace and guidance. This book is related to the subject of the Extensive Listening Course.

This book aims to aid readers in developing their ability to listen to various listening materials in a foreign language. The exercises and activities in the book can improve the reader's listening abilities and proficiency in understanding spoken language. Readers who listen a lot are subjected to various vocabulary, grammatical constructions, and accents, which can make them more at ease around multiple dialects and speech patterns. Listening can also help with speaking, reading, writing, and general language proficiency.

Depending on the reader's requirements, the Extensive Listening book can be used in several ways: For people who need to prepare for language competency tests like the TOEFL or IELTS, people who want to advance their language abilities for work-related reasons. Moreover, this guide includes a range of resources that offer thorough approaches: Listening: A QR code for each segment leads to an audio file of a conversation, which the reader will use to complete the tasks. Reading: The reader can read a long text while listening to a QR code containing information for each section. The reader will then finish the tasks. Writing: The reader will summarize the information presented in each segment of the reading portion to demonstrate their proficiency in the language being tested.

Last but not least, the authors of this book offer their most sincere apologies if it contains flaws and mistakes. The authors of this paper are eager to hear any feedback, including recommendations for how it could be improved. God is the only source of all that is good and strong. He created everything. Thank you for the support of everyone involved, and we hope this book will be helpful to the people who read it.
