PENEMPATAN ANGGOTA POLISI DI INSTANSI PEMERINTAHAN NEGARA REPUBLIK INDONESIA (PLACEMENT OF POLICE MEMBERS IN GOVERNMENT INSTITUTIONS REPUBLIC OF INDONESIA)

this happy occasion, I would like to extend my millions of thanks for the presence of ladies and gentlemen today in the framework of the inauguration of Professors (professors) in the field of public law in Singapore on July 27th 2023).

I. PENDAHULUAN

INTRODUCTION

Pengisian jabatan yang diisi oleh Anggota Polri dan Prajurit ABRI/TNI di lingkungan sipil/BUMN/BUMD (*Government/Governance*) baik instansi pusat maupun daerah dahulu pernah dilakukan pada Zaman Orde Baru, dengan istilah Dwi Fungsi ABRI. Sejak dihapuskannya dwi fungsi ABRI pada tahun 2000, maka terjadi suatu pembatasan pengisian jabatan di lingkungan sipil dari Anggota TNI. Sekarang terulang lagi dimana pengisian Polri di Instansi sipil/BUMN/BUMD (*Government/Governance*) baik instansi pusat maupun daerah mendominasi dengan istilah Negara Kepolisian Republik Indonesia (NKRI). Selain itu Penempatan Anggota Polisi di Instansi Pemerintahan (Luar Polri) karena adanya Fenomena bottle-neck dimana ± 1.744 1 Pamen Polri dengan pangkat Komisariss Besar Polisi (Kombes) Brigadir Jenderal Polisi (Brigjen) adalah sebanyak ± 230 orang Perwira dalam organisasi Polri berimplikasi kepada pembinaan karier bagi Pamen Polri dan, implikasi negatifnya berdampak kepada pelaksanaan tugas dan fungsinya sebagai pelayan publik.

(The filling of positions filled by members of the Indonesian National Police and ABRI/TNI Soldiers in civil/BUMN/BUMD (Government/Government) environments, both central and regional agencies, was once carried out during the New Order Era, with the term Dwi Function ABRI. Since the abolition of the dual function of ABRI in 2000, there has been a restriction on the filling of positions in the civilian environment of TNI members. Now it is happening again where the filling of Polri in civil institutions/BUMN/BUMD (Government/Governance) both central and regional agencies dominate with the term National Police of the Republic of Indonesia (NKRI). In

law enforcement, protection, protection, and service to the community." This means that Polri is a state apparatus and government bureaucracy, the function of the police universally is to eradicate crime (fighting crime), maintain order (maintaining law and order) protect citizens from danger (protecting people) law enforcement (law enforcement agency) maintaining order (order maintenance). peacekeepers (peace-keeping officials) and public service (public servants).

II. PENEMPATAN POLRI DALAM PEMERINTAHAN

POLRI PLACEMENT IN GOVERNMENT

Salah satu diantara alasan penempatan PATI (Perwira Tinggi) Polri sebagai pejabat Gubernur Jawa Barat dan Sulawesi Barat dan pejabat lainnya di luar kepolisian, antara lain: a). Kurangnya Pejabat Eselon I Kementerian Dalam Negeri (Mendagri), berdasarkan pasal 201 Undang-Undang Nomor 10 Tahun 2016 tentang Perubahan Kedua Atas UU Nomor 1 Tahun 2015 tentang Penetapan PERPU Nomor 1 Tahun 2014 tentang Pemilihan Gubernur, Bupati, dan Walikota “*untuk mengisi kekosongan jabatan Gubernur, diangkat pejabat Gubernur yang berasal dari jabatan pimpinan tinggi madya sampai dengan pelantikan Gubernur sesuai dengan ketentuan perundang-undangan yang berlaku*”. b). Pasal 4 ayat (2) Permendagri Nomor 1 Tahun 2018 tentang Perubahan atas Peraturan Menteri Dalam Negeri Nomor 74 Tahun 2016 tentang Cuti di Luar Tanggungan Negara Bagi Gubernur/Wakil Gubernur, Bupati/Wakil Bupati, Walikota/Wakil Walikota mengatur bahwa pejabat Gubernur berasal dari pejabat pimpinan tinggi madya/setingkat di lingkungan pemerintah pusat/provinsi.

(One of the reasons for placing PATI (High Officer) of the National Police as acting Governor of West Java and West Sulawesi and other officials outside the police, among others: a). Lack of Echelon I Officials of the Ministry of Home Affairs (Mendagri), based on article 201 of Law Number 10 of 2016 concerning the Second Amendment to Law Number 1 of 2015 concerning the Stipulation of PERPU Number
